- On the Roster [registration web page](#).
- Old school paper schedule at [tracklab.events](#).

Competition Bibs

- Each registered athlete must wear a bib to compete. Bib packets may be picked up at the ticket booth once the gates open, and remain available throughout the day. Club packets must be picked up by a coach or club administrator. Unattached athletes may pick up their own bib.

Results

- Live results can be found on the companion app for [iPhone](#) or [Android](#). Type “Tracklab” (one word) in the search bar to find the right meet.
- Final results will be submitted to [athletic.net](#). Please allow 2-3 business days after the meet for any necessary corrections before submission.

What to Wear

Uniforms are not required. Athletes may wear whatever will keep them dry, warm or cool during competition. Headphones and air pods are not permitted when checking in or during competition

Implements

- Tracklab provides starting blocks, batons and 18U shot puts, discuses and javelins.
- Athletes ages 19+ must bring own shot puts, discuses and javelins.

PR Buttons

- PR buttons are earned by athletes who set a new personal best in an event at Tracklab, and are not based on place of finish.
- As a means of PR verification, only coaches or parents can pick up 14U PR buttons. For older athletes, the honor system applies.
- PR buttons are kept at the awards desk and are limited to 2 per athlete per meet.

Running Events

- For each running event, athletes check-in by reporting to Clerking on the first call for their age division. There will be a first call and a final call, only. Reporting to Clerking outside of age group creates congestion in the area.
- Only athletes are permitted in Clerking unless escorting 10U athletes. Once the 10U athlete is hipped, please leave the area.
- Older athletes must report to Clerking without an escort.
- Athletes may not bring electronic devices to Clerking, and must remain in Clerking until escorted to the start line by Tracklab.
- Athletes who leave Clerking before the escort risk DNS. Please do not remove hipped athletes from the area.
- Athletes ages 15+ must use starting blocks and are subject to the USATF start rules.

Medals

Medals are awarded for each **USATF age group** beginning with 6U for first, second and third place. Events may be combined for meet efficiency but athletes will still be awarded separately by age division. 14U medals must be picked up by coaches, club administrators or parents.

Field Events

- For each field event, athletes check-in by reporting to the venue for **that** field event (and not to Clerking) on the first call for the event. There will be a first call and a final call, only.
- **Coaches must manage athletes entered in overlapping events.** An athlete must first notify the field official before leaving for a running event, and must return promptly after the running event, or risk forfeiture.
- Tracklab does not pause field events for running events, and there no guarantee an age group or event will not conclude while the athlete is away.
- High jump bar is not lowered for returning athletes.
- Athletes are permitted 3 jumps and 3 throws.
